Thanks, Randy. Obviously, we are concerned about the additions of Katahdin and Craters. Looking forward to talking more and them on Monday. Also, the spelling of Katahdin should be corrected on your list.

Have a good weekend.

Here is a just-issued DOI press release on the public comment process. The list of Monuments is part of the press release, but when I downloaded it I could not make the formatting work, so the list is the second attachment.
